YEEGLOW SERIES LED GARDEN LIGHT 30W-150W

PRODUCT INTRODUCTION

A garden lamp is not only a lighting tool, but also a beautiful scenic accent.

Adopting exquisite craftsmanship and superior quality, our garden lamps create a warm, comfortable and safe outdoor space for you.

Whether spending pleasant family time on quiet nights or enjoying a moment of tranquility alone, the garden lamp can always build an ideal atmosphere.

PRODUCT FEATURES

⦿ High-quality Materials

Made of premium durable metal material with excellent corrosion resistance and durability. It withstands all kinds of harsh weather and maintains a beautiful appearance for years.

⦿ Unique Design

Simple and elegant in appearance with a versatile design, perfectly matching various courtyard styles.

⦿ Efficient Lighting

Equipped with advanced lighting technology, it delivers bright and even light to illuminate every corner of the courtyard. Brightness is adjustable to meet lighting needs of different scenarios.

⦿ Energy Saving & Eco-friendly

Adopts high-efficiency LED light source with low power consumption and long service life, saving energy costs while being environmentally friendly.

⦿ Safe and Reliable

It features outstanding waterproof, dustproof and leakage-proof performance for safe outdoor use in all weather. Firm installation prevents tipping over to protect the safety of you and your family.

⦿ Easy Installation

Humanized structural design comes with detailed installation instructions and complete accessories. It can be easily installed without professional help.

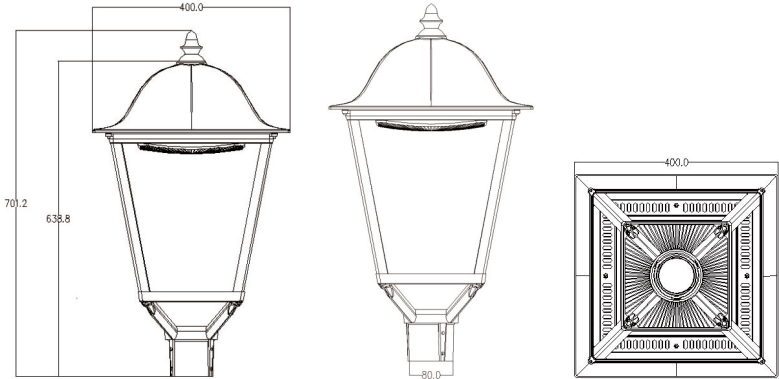

Technical Parameters

Model No.	LTA-CY085030-XX	LTA-CY085040-XX	LTA-CY085050-XX	LTA-CY085060-XX	LTA-CY085070-XX	LTA-CY085080-XX	LTA-CY085090-XX
Power	30W	40W	50W	60W	70W	80W	90W
Material	Die-cast Aluminum + PC Lens + Glass						
Luminous Efficacy	130-160lm/W						
Beam Angle	90° /120° /T2						
PF	>0.95						
CCT	3000-6500K						
IP	IP65						
CRI	Ra>70						
Service Life	50000H						
Input Voltage	120-277V						
Product Dimensions	400×400×701mm						
Net Weight	5.2kg						
Packaging Dimensions	450*450*650mm
